Christ the King Business Register

The P&F is currently developing a new free online School Business Register which we hope will be accessed through the CtK website, Facebook page and the Connected App.

The online School Business Register will give the school community an opportunity to advertise their business and will give everyone a chance to support our own Families when requiring a service.

We hope this new business register will help to bond our school community and build support for each other.

If you are interested in registering your business - simply fill in the details below, and email us as soon as possible. Alternatively, print the form off & place in P&F box in the office.
